Keep Your Furs Up to the Minute

Financially, it would be an impossibility for most women to keep abreast of the times if they were to buy new furs every year. Still it is possible for every woman to be in style at a far smaller cost by having us remodel and renovate her last year's furs.

Bring us your Coat, Neckpiece, Muff or any article of Fur wearing apparel you may have and let us Remodel it. The cost is trivial compared with the satisfaction.
